## PTFGND April, 2024 News & Action

Good news! We have been invited to join the **Green New Deal Network (GNDN)**, a coalition of national and state groups working to win Green New Deals for our homes, health, schools and more. They ask us join them to in their campaign to ensure that our Senators and Reps sign on and speak up. Their resources, and advise will make us more informed, powerful and effective in taking action.

**Mercedes Renshaw**, one of the Network field organizers, has offered to speak with us about these bills, their campaign plans and how they can strengthen our work at our next meeting, next Tuesday, April 23<sup>rd</sup>. To prepare, she has asked us to check out their website and bills at **Federal Green New Deal Bills**: <https://greennewdealnetwork.org/green-new-deal/policy-hub/> and follow them on [Twitter](#), [Instagram](#) and [TikTok](#)!

For example, on Tax Day, April 15<sup>th</sup>, some of our 9<sup>th</sup> CD leaders, Beth, Mona and Dick, met with Rep. Smith's staff to ask for his support for the GND bills. Thanks to the Network resources, Smith's staff had printed out their comprehensive, colorful list of GND bills and begun researching them. They reported his support for GND for Public Housing, Public Schools, and Cities, ProAct, and more. He has not yet decided whether to support other bills. We'll report more at our upcoming Coalition meeting.

Will you join us at our next meeting, next **Tuesday, April 23<sup>rd</sup> at noon** to see and hear Mercedes tell us more about the Network and discuss whether to join? After that, we will exchange our group reports of recent and future actions as well as our Coalition outreach and steering team reports.
